

Young Adult Happenings

January 2018

1. What am I most proud of from this last year?
2. Where do I need to allow myself more grace & kindness?
3. How well did I take care of my mind, body, and soul?

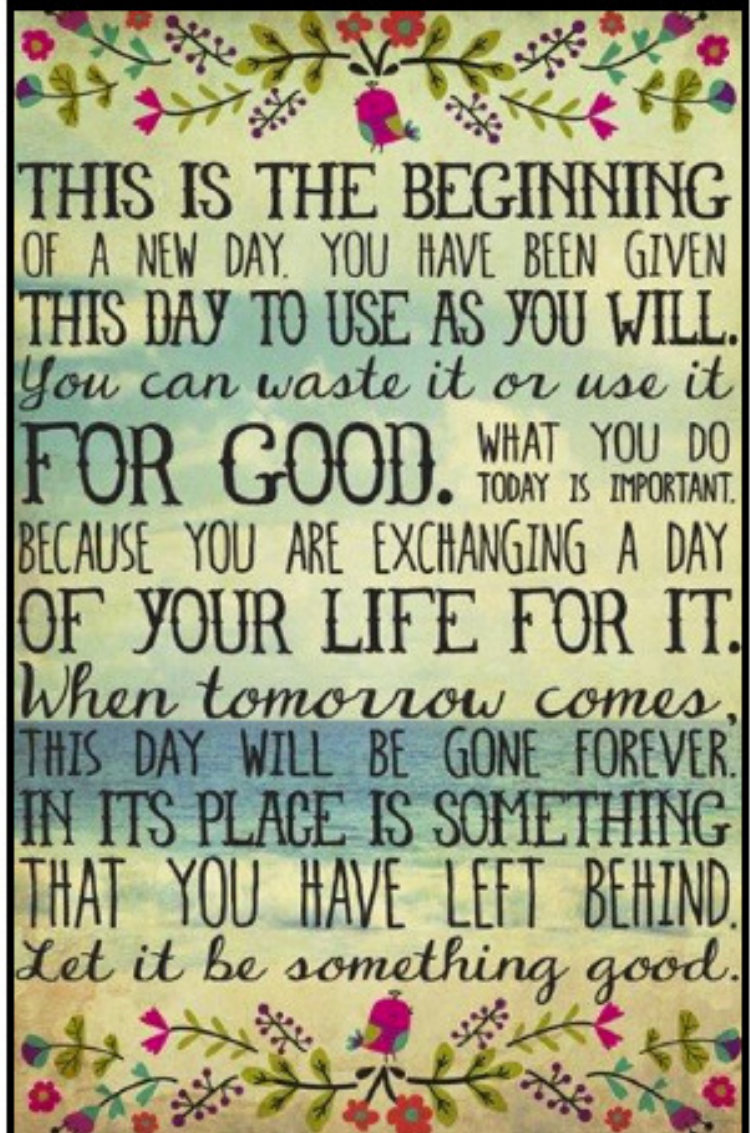

1. What am I looking forward to in the coming year?
2. Who is someone I could encourage throughout the year?
3. How will I challenge myself to grow on my faith journey?

There will be no Sunday night volleyball in January. We will resume in February!
